Lesson Format

Classes consist of 60 minutes of instruction by one of our trained professionals. Each class will start with an assessment, and each participant should be ready 5 minutes prior to class. There is no set number of skills to learn, but offers a broader range and knowledge of higher level skills such as freestyle, dance and figures. The overall goal for the children will be to take the instruction and see how far they can go and become the best skaters they can be!
