BECOME A 911 OPERATOR in only 8 weeks!

911 Dispatcher

Complete our 911 Dispatcher Basic Telecommunication training course in only 8 weeks, part-time, online, and receive the Public Service Telecommunicator Certification allowing you to work as a 911 Dispatcher in the State of New Jersey.

Positions are available in Public Safety Agencies, such as police departments.

Emergency Medical Dispatcher

Continue your training by completing our Emergency Medical Dispatcher (EMD) course in only an additional 6 weeks, part-time, to become a Certified Emergency Medical Dispatcher in the State of New Jersey.

Positions are available in Medical Centers throughout New Jersey.

- Median salary for Dispatchers in New Jersey is \$46,355
- You only need a High School Diploma to participate.
- Courses will begin in our Fall 2021 semester. The schedule will be available in the middle of July in our Fall Opportunities bulletin.
- After completing the program, if you would like to go into the Middlesex College Criminal Justice program for a career in law enforcement, Continuing Education Units earned through the 911 program can be applied to the Associate Degree, shortening the time needed to earn an Associate Degree.
